

Framework, Integration Best Practice Discovery

System integration via the Framework initiative contracts are near completion. Local areas throughout the state have experienced lessons learned, as well as best practices that have further engaged integration of the WorkSource systems. It's time to share those practices & lesson learned via this 1-day presentation & discussion

Highlights

- ◆ Rodney Bradshaw & Mike Temple, Houston, TX model
- ◆ Reconfiguration models
- ◆ Value Mapping models
- ◆ Technology models
- ◆ National Perspective via Consultant
